

A Message from Your Township Supervisor

A Message from Your Township Supervisor

Hello Whiteford,

School has begun and football season is upon us. It must be autumn in Whiteford!

Even though it is fall the Whiteford Farmers Market continues each Monday at Whiteford Stoneco Park from 4pm-7pm through September 22. Once the market concludes for the year it is time to look forward to the Whiteford Fall Festival on October 4 from 10-4 pm at the park. The Whiteford Fall Festival is another great community event and it takes a lot of people to put it on. If you would like to volunteer you can sign up here: [Whiteford Fall Festival Volunteer Link](#)

The township emergency sirens were inspected at no cost by the county and were all found in working order. We decided to replace three of the siren's back up batteries since they were past their life span. Our emergency sirens should be in good shape for the next few years.

At our last Township Board meeting the Board decided to sell three properties owned by the township. These properties are to be sold as-is and may or may not be buildable. The idea is to get these properties that are unusable to the township out to people in the community that may be able to use them. You can find the property information and information on the bid process on the township website (whitefordtownshipmi.gov) under "Announcements".

This Saturday, September 6 we will be having our fall park cleanup. This will involve sealing park benches and pavilions, moving stone to fill in gaps around concrete pads at pavilions and brush clearing on the disk golf course. We will once again go from 9am to noon. There are always items at the park that still need to be done and other events throughout our township that need volunteers. I often hear "I would have helped if I had only known." If you would like to be notified for projects that meet your desires or skill sets please take a moment to fill out this brief Google form. [Whiteford Auxiliary Sign Up](#). Also we are currently looking to create an auxiliary group to help support our firefighters. A person in

this group would be utilized when the fire department needs extra help with things like getting food and drinks to our firefighters on long emergency calls to being at the scene of a downed power line until crews can complete repairs. If you would like to be on the Whiteford Firefighter Auxiliary list please fill out the following form. [Whiteford Firefighters Auxiliary](#)

Enjoy this wonderful time of year!

Jeff Thomas
